

Sign up as usual via Golf Genius.

The computer will separate the teams by handicap. After the teams are picked by the computer, the board will pick a date to get together, and pair guys on the same teams as well as who that team plays.

If you sign up YOU MUST PLAY BOTH DAYS!

Greens fees for **both** days must be paid in the pro shop on Saturday.

Skins will be paid each day.

Saturday will be a 9 am shotgun start, to allow us to have our annual end of year meeting at 8:15 in the Caddy Shack.

Saturday will be 2 man better ball (front 9) & scramble (back 9)

Sunday will be 1 on 1 individual matches, but will go out in foursomes and they will be sent off by tee times starting at 8am

ALL holes must be played out, even if the match ends early due to skins (both days)
