### Payouts:

- Weekly fees will go to pay out gross and net winners in each flight. We will match cards for the top spots each week if necessary.
- Skin money will be paid to all gross skins weekly. If there is no “good” skin, money will roll over to the following league week. Players that did not participate in the previous week will owe skin money for the prior week.

### Other:

- League tee times will start at 3:36 pm and go every 8 minutes until 5:52 pm. The tee time you are assigned will be your tee time for the entire league season.
- Players may pick their groups as long as they are paid league members.
- USGA Rules govern all play.
- All scorecards must be signed by another member of your group and placed in the comment card box by the cart return area immediately following your round. Any scorecards not turned in will result in a DQ for the week.
- It is the pro shops decision on inclement weather in determining if the course is playable or not.
- **Any player with numerous no-shows may be removed from the league without any refund.**
- **There will be one week that a 5:30 shotgun start will occur due to an outing.**
