BEER CART REGULATIONS

The Caddy Shack beer cart that is offered in the outing packages allows outing volunteers to drive it and distribute alcohol, snacks, water, etc under the liability of The Caddy Shack. The Armitage beer cart that you may add on to your outing for \$50 may only have alcohol on it if a Caddy Shack employee is driving and distributing the alcohol. An outing volunteer may drive the Armitage beer cart if it is only stocked with water, soda, snacks, and any other nonalcoholic beverages. If you wish to have two beer carts, both stocked with alcohol during the time of your outing, you may hire a Caddy Shack employee to drive and distribute the alcohol. Hiring a Caddy Shack Employee for the Armitage golf cart will add a 21% gratuity charge on the sales of that cart. This change is mandated by Hampden Township as Armitage owns this beer cart.
